Full particulars of work and details of quantities, etc., can be had in the District Board Office, Hassan, during office hours. Specific rates should be given for each item of work.

No tender will be accepted unless it is received in this office on or before 8th May 1952, within specified time and accompanied by earnest deposit of Rs. 575 which should be credited to the District Board funds.

The successful tenderer should bind himself to abide by the Departmental rules in force and execute the necessary agreement within a week of acceptance of his tender failing which the earnest money will be forfeited to the District Board. The works should be completed within 2 months from the date of acceptance of tender.

The final acceptance will rest with the President and the President is not bound to accept the lowest or any tender whatsoever and has the right of rejecting any tender.

The President reserves the right of limiting the construction of the building at any time to the amount of public donations available with the District Board for the construction of the above school building. The construction will be under the supervision of the Assistant Engineer of Saklespur Sub-Division.

78 Y. DHARMAPPA, *President.*

Local Indent No. 11506.

Re :—Contract for the purchase of waste papers in Government Offices during 1952–53.

Gentlemen,

With reference to your quotation, dated 24th March 1952, offering to purchase waste papers, I write to state that the Stores Purchase Committee are pleased to accept your quotation to purchase waste paper materials of description noted in the undermentioned schedule, collected in all Government Offices (except Gubbi Taluk Office) and Government Presses in the State at rates noted against each.

This contract will be subject to the conditions noted below :—

1. This contract will be in force from 1st April 1952 to the end of March 1953.

2. You are given the right to remove such materials described in the undermentioned schedule from all Government offices and presses in the State during the period of contract.

3. You should arrange to remove only such of the papers or cuttings as have been considered and set apart as waste.

4. Before the materials are removed, the approved contractors should pay the entire cost of the material collected at the accepted rates to the officer in charge of the office from which the material is collected.

5. The approved contractors have to make their own arrangements for collection of waste materials including paper cuttings for its weighing and for its transport from the Government offices.

6. The contractors should make regular periodical calls at every office and Government Presses in their jurisdiction and remove the waste papers. They should also promptly respond to the calls of the offices and remove the waste papers within a week from such calls, failing which the collected materials will be disposed of otherwise and the difference, if any, in the cost realised will be collected from the approved contractors.
